

## St. Pius X Parish *Elder Ministry Committee*

is seeking your suggestions of possible services that may be of interest to parish elders

St. Pius X Parish Council has appointed this committee to oversee and develop a program for elders/seniors in our parish. Our purpose is to ensure that parishioners, living at home or in care facilities can access parish events and services and maintain social networks. These activities would be open to both men and women in our community.

Please complete this form and return it to the parish office:

**16 Smithville Crescent.**
